PUBLIC ANNOUNCEMENT

Postponement of events due to corona virus

Friday March 27, 2020

Dear Music-lover and supporter of the Team of Pianists,

Due to the corona virus situation and governments' position on public gatherings, it is with much regret that we announce that at least these first three recitals in our 2020 series will be postponed:

- Sunday April 19 at 6.30pm - Twilight Chamber Music at Rippon Lea
- Sunday May 3 at 2.00pm - Barwon Park
- Sunday May 17 at 6.30pm - Twilight Chamber Music at Rippon Lea

Currently we are conferring with our musician colleagues and venue partners, in regard to how we might reschedule these events to later dates and thus maintain the performance of great music by great musicians, and/or provide alternative means for our audiences to continue enjoying wonderful chamber music in 2020.

In the near future we will contact directly all those who hold tickets for the above three events, while further announcements will be made available on our website.

The situation in regard to our concerts later in the year, from June onwards, will be determined in the forthcoming weeks and will be advised later. All announcements will appear as a PDF link under UPCOMING EVENTS, on the right of each page of our website www.teamofpianists.com.au and will be notified via circular email also.

Wishing good health to all and with thanks for your support,

Robert Chamberlain, Darryl Coote and Rohan Murray
Partners, Team of Pianists.
